

Hello Fellow Yarn Lovers!

Our Sip 'n' Stitch on Friday night was, again, a blast! There were 6 of us. We were chatting, stitching & sipping. It's great to find out how much we have in common.

The trunk show is over and I want to thank everyone who supported it. It was inspiring to see some different garments made with Plymouth yarn. Nine have been shipped back to the warehouse, but we still have over 20 in the store. And we have access to all the patterns.

THE BIGGEST NEWS is that we now have a new, exciting website, thanks to Nicole Niewoehner. Check it out at: www.yarnworksshop.com
